

To the Committee of the Editorial Board of
CARPATHIAN JOURNAL of EARTH and ENVIRONMENTAL SCIENCES

The undersigned **Daniel Kubinský** as the first author and **Milan Lehotský, Karol Weis** as contributors at this following article, with the title **Changes in bathymetry and land cover of riparian zone of an old artificial water reservoir Veľký Kolpašský** we declare under our own responsibility over the contents of this article, presented to the Committee of the Editorial Board, in two copies, or in electronic forms, that the article has not been published in anywhere in the world. Material, including text, graphics and tables, from other publications (articles, conference proceedings, poster and books) may not be used. The article content represents scientific contributions/synthesis works in the field **environmental, hydrology** and that its authors do not have any financial pretensions, our only desire being that the paper be published in print and electronic form.
